

TCS Advanced Telemarketer Call Screening

To add the last caller to your blocked list, disconnect the call and: **DIAL *96**

You must access the TCS menu from the phone number that the service is assigned to.

During your initial access, you will be prompted to choose a language. After this selection, all menus and prompts will be presented in that language.

For additional information call: 1-855-888-7777
