Displaying the Call History Page

All call history tasks are performed from the Call History page. To display this page, click the **Call History** icon on the menu bar:

The following figure shows an example of the Call History page. The  button at the top-right side of the page refreshes the information on the page.

A screenshot of the Call History page in a web interface. At the top, there is a menu bar with icons for Call Center, Messages (with a red '15' notification), Contacts, Answering Rules, Time Frames, Phones, Music on Hold, and Call History. Below the menu bar is a header for "Call History" with a refresh button. Underneath is a "Filters" section showing the date range "06/21/2015 - 06/24/2015" and an "Export" button. The main content is a table with columns for Number, Name, Date, and Duration. Each row includes a small icon representing the call type (e.g., incoming, outgoing, voicemail) and a set of three small circular icons for actions.
