

The Federal Communications Commission has established the National Lifeline Accountability Database (NLAD) to detect and prevent consumers from receiving more than one discounted service under the federal Lifeline and ACP programs and ensure proper administration of the programs. Under federal law, qualifying households cannot receive more than one Lifeline and one ACP benefit. Golden West Telecommunications is required to submit your information as provided below to the NLAD to verify you are not receiving more than one of each benefit.

Please print the information EXACTLY as it was entered on the Lifeline and/or ACP application. Any discrepancies in the information could delay or deny your enrollment and the associated discount:
