\* Access Customer describes current Golden West customers who have Dial up, DSL, Wireless, or cable Internet service. Web hosting space is provided free as part of their Internet service with Golden West. If you are unsure if you have web hosting as part of your current service please email or call us to find out (1-800-763-2525 or 719-3000). If you do not have web hosting space, additional fees do apply. Domain name registration and hosting are additional services and will have additional fees.
